

The **Woodlin Elementary School PTA** provides scholarships and financial assistance for enrichment programs, after-school clubs, and community-driven events. These programs help cultivate a thriving environment for our students, families, and community. In October we will be hosting our annual **Fun Run**, in March our annual **Silent Auction** as well as support our Halloween Parade and Valentine's Day Party and ask our local community businesses to support our families that support you every day. Your generous corporate, community and family sponsorships are much needed and appreciated. We offer many ways your business can get additional exposure while supporting your local elementary school PTA and the Woodlin Wizards.
