

Happy New Year, Woodlin Wizards!

I hope you all had a restful break and are energized for a fabulous winter and spring full of PTA events. As you are all aware, Woodlin had an unfortunate graffiti incident prior to the break. Although this situation was deeply disappointing, it has opened the door to a wonderful dialogue within the Woodlin community of how to honor diversity and to instill values of inclusiveness and tolerance within our community. Principal Moua included a summary of a meeting with Woodlin parents in [her newsletter](#). Please read to understand next steps!

We have much to look forward to in the coming months! The fabulous Woodlin Dance is on January 28th and this is a must attend event. I am looking forward to excellent food and programming at our annual Black History Month celebration during our February 7th PTA meeting. I hope that you will join us to feast and learn together. The Geo-Bee is kicking off, the auction team is getting warmed up, STEM and International nights are being planned, and before you know it Spring Fair will be upon us again. Please think about outreach, programs, fundraising, and advocacy that are important to you. We welcome new faces and new ideas! I look forward to seeing you at many of our upcoming events in 2017!

Best, Karen Miller, Woodlin PTA President
