

## Happy March Woodlin Wizards!

Our next few months are full of wonderful enrichment, social, and fundraising activities. I hope that you will join us for all of the upcoming events that are planned. International Night is always an exciting chance for Woodlin to celebrate our diverse cultural backgrounds through food, information, and entertainment. And please consider donating an item for the auction...and this is a party you don't want to miss! I also want to extend a thank you to Camille Parker for her coordination of the Reflections competition and to congratulate all of our participants, including those that will be honored at the county level. Woodlin continues to be a vibrant and wonderful community. Enjoy all that the PTA has to offer this spring!
